86D Oven

**Three Year
Warranty**

87D stove/oven

SAFEFLAME 86D diesel oven and 87D stove/oven

- Safe, no-open flame operation.
- All combustion exhaust gases and water vapor is vented outside, keeping cabin dry.
- Clean, soot-free, reliable design minimizes maintenance.
- 87D has a great looking ceramic cook top for easy cleaning.
- Diesel fuel can be drawn directly from the main fuel tank or from a day tank.
- Super quiet, variable output eliminates off/on system cycling.
- Superb corrosion free stainless steel and aluminum construction.
- Convection oven for fast, accurate cooking times.
- Either model may be gymbol mounted with optional kit.
